Summary of IA

It is a requirement to publish the findings and results of all IAs conducted. The publication should include a summary of the following:

Research and data (section 3)	<p>A Development Team was established which has representation from a wide range of service areas across NHSD&G; third sector dumfries and galloway; and the policy and performance team of DGC; There has been primary research undertaken with people across the region (online survey); and the community planning equality and diversity working group (face to face) and</p> <p>Secondary research on the engagement strategies/plans of other IJBs; the Development Team have on average 20 year experience in this field; Performance monitoring data will be developed as part of the Action Plan to implement the strategy. In the meantime there are a number of performance indicators in the social work services business plan, the NHS Patient Focus Public Involvement return; and the IJB strategic plan, localities plans and workforce plan that can provide initial monitoring data for these activities.</p>
--------------------------------------	--

Impact Assessment (section 4)	<p>-</p> <p>Positive Impact(s) – 12 (High - Health and wellbeing; and health inequalities; economic and social sustainability; Low – age; disability; sex; gender reassignment and transgender; race; religion or belief; sexual orientation; pregnancy and maternity; human rights; Environmental Sustainability, Climate Change and Energy Management)</p> <p>No Impact(s) – 1 (marriage and civil partnership)</p> <p>Negative Impact(s) – 0</p>
Monitoring and review (section 5)	<p>How is the policy to be monitored - how often and by whom?</p> <p>There will be a set of performance measures that the IJB and the Management Team will monitor on a quarterly basis to ensure the implementation of the Strategy and its effectiveness.</p>
