- **Note the Chief Finance Officer Annual Accounts 2017/18 update.**

### **3. Background**

- 3.1 As part of the Annual Accounting process the Board are required to compile an Annual Report, the format of which is set out within Local Government regulations. This paper gives an overview of the reporting requirements under these regulations and the timetable for the production, approval and publication of the accounts.

### **4. Main Body of the Report**

#### **Annual Accounts 2017/18**

- 4.1 The Integration Joint Board annual report and accounts for 2017/18 are required to be prepared in accordance with the Local Government (Scotland) Act 1973, the Local Authority Accounts (Scotland) Regulations 2014 and the Local Government in Scotland Act 2003. The financial statements are prepared in the format provided by LASAAC.
- 4.2 The financial reporting framework that is applied in the preparation of the financial statements is International Financial Reporting Standards (IFRS) as adopted by the European Union and as interpreted and adapted by the Code of Practice on Local Authority Accounting in the United Kingdom 2017/18 (the 2017/18 Code).
- 4.3 The annual report and accounts are therefore prepared under local authority regulations and not NHS regulations. As such, the unaudited accounts have to

be made available for public inspection and comment for a period of 22 days prior to their final approval and signing.

4.4 The annual report and accounts comprise the following:

- Management commentary
- Statement of responsibilities
- Remuneration report
- Financial statements
- Independent auditor's report

4.5 No significant changes to the local authority code of practice or formal LASAAC guidance are anticipated. Audit Scotland are expected to publish a best practice guide for IJB accounts before the end of February and LASAAC will consider the need for an update to the current IJB accounts template following this.
